PONN CONQUEST[™]

POLYESTER DOUBLE JACKET ATTACK/SUPPLY HOSE

Looking for a hose to flow a tremendous amount of water? You've found it with CONQUEST! Today's fires are hotter and more water is needed at the nozzle to knock them down fast. Conquest meets that challenge every day. Our patented thru-the-weave extruded polyurethane liner has an incredibly smooth surface that enhances water flow. Typical friction loss reductions of over 50% compared to other hose designs—deliver more water at standard operating pressure.
