

Fire Truck Service Technician

Location: International

Employment Type: Full-Time

About ESS Emergency Safety Solutions

ESS Emergency Safety Solutions is a specialist provider of fire and rescue vehicle maintenance, servicing, and technical support across the Middle East and international markets.

We support critical infrastructure and emergency response operations, ensuring fleets remain fully operational, compliant, and mission ready.

Role Overview

We are seeking a skilled and reliable **Fire Truck Service Technician** to join our growing team.

The successful candidate will be responsible for inspecting, maintaining, and repairing fire trucks and associated equipment to ensure optimal performance and operational readiness.

Key Responsibilities

- Perform routine servicing, inspections, and repairs on fire trucks and emergency vehicles
- Diagnose and rectify **mechanical, electrical, hydraulic, and pneumatic faults**
- Service firefighting systems including **pumps, hoses, valves, foam systems, and ladders**
- Carry out preventative maintenance to minimise downtime and ensure fleet readiness
- Complete service reports, checklists, and maintenance documentation accurately
- Ensure all work complies with **manufacturer specifications and safety standards**
- Support breakdown response and emergency call-outs when required

Requirements

- Proven experience as a **heavy vehicle / diesel technician** (emergency vehicles preferred)
- Strong understanding of **hydraulic, electrical, pneumatic, and mechanical systems**
- Ability to interpret technical manuals and use diagnostic tools
- Relevant technical qualification or trade certification (preferred)
- Valid driver's licence (**heavy vehicle licence advantageous**)
- Strong problem-solving ability and attention to detail
- Ability to work independently and within a team
- Computer literate with basic reporting capability

Desirable Experience

- Experience working with **firefighting systems (pumps, foam systems, aerial platforms)**
- Welding or fabrication experience

What We Offer

- Competitive salary based on experience
- Opportunity to work on **specialised fire and rescue equipment internationally**
- Ongoing training and development
- A critical role supporting life-saving operations
- Professional and safety-focused working environment
